

Weekly Testimonies

From Pr. Naikchristian, India

Greetings in the name of our lord and Savior Jesus Christ this is pastor Naik Christian from India. I personally appreciate all the Restitution brothers and sisters for your prayers and support for Indian mission work to preach the truth and proclaim the Three Angels message among the brothers and sisters here in India. We have been reaching this small group of people here with truths like the Seal of God and mark of the Beast.

God has given me this wonderful opportunity starting of this week so that we can reach and teach the truth to prepare the precious souls for the second coming of our lord and Savior Jesus Christ.

My wife Neela is reaching the village people with the everlasting Gospel of Jesus Christ.

Keep on praying for Indian mission work so that we can preach the Gospel to the precious souls, Hindus and Muslims and village people where there is no Gospel in the remote places.

In this picture you can see we have been sharing the Gospel with the people who are labourers and also after we share the gospel, we feed all these people with good food well as spiritual food, the word of God, so that they can come and understand that there is only one God who can give them eternal life.

We can reach many souls with the true word of god and showing them Love by feeding many hungry souls so that they can understand that God loves them. They can see the power of God through the Gospel in their life.

Thank you Restitution brothers and sisters for your prayers and support and may God guide you and may God bless you all. Pray for the training school VR building here in India so that many pastors can come and learn the truth which they can carry forward this wonderful message to their local churches and local towns.

From Stefan, South Korea

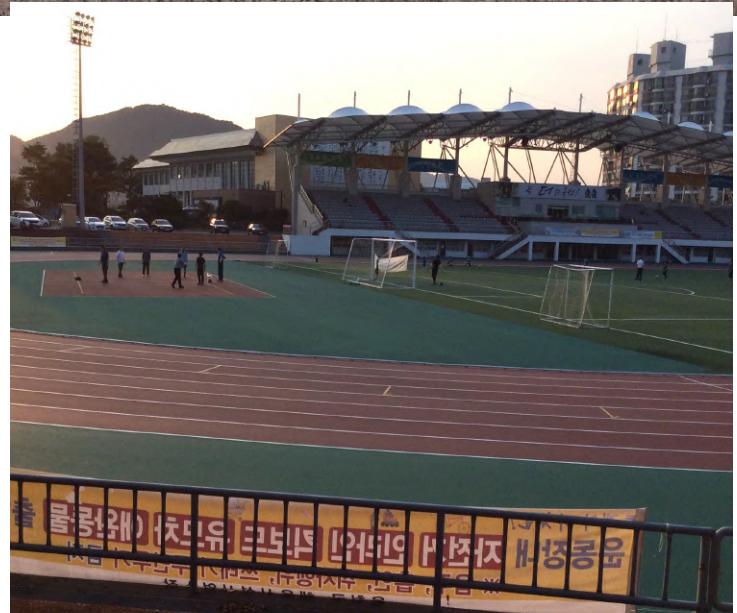

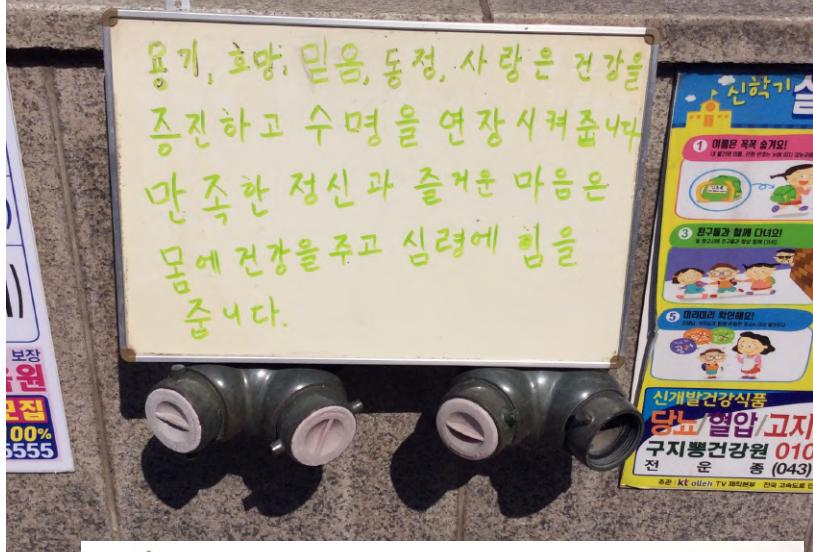

Yesterday September 30 was the market day in Oak Chun and the beginning of the biggest 5 day holiday in Korea called Chusuk. Every one eats rice cakes on Chusuk. See picture.

People make orders for rice cakes 2 or 3 days in advance see the green circle on the door. The Blue circle is people lining up. The Red circle is the rice cake in small packs and the yellow circle is boxes for people who ordered a lot. In the Korean Bible Matt 4:4 says "man does not live by rice cakes alone" ... The market was booming with people.

I bought a little white board and wrote from the book MH "Courage, hope, faith, sympathy, love, promote health and prolong life. A contented mind, a cheerful spirit, is health to the body and strength to the soul." See Picture. Borrowed a chair from a nearby restaurant, set the white board where passersby could read, sat down and began to speak. Said to the people Jesus loves us whether or not we know it, and He'll forgive all our sins. Warned the people that Jesus is coming soon and we must get ready.

My ambition and aim in life is to be one of the servants mentioned in the great controversy, "Servants of God, with their faces lighted up and shining with holy consecration, will hasten from place to place to proclaim the message from heaven. By thousands of voices, all over the earth, the warning will be given {GC 612.1}

There is something about sitting like Jesus and teaching that gives extra energy and sway to the words of God. Matt 26:55 "in that same hour said Jesus to the multitudes, are ye come out as against a thief with swords and staves for to take me? I sat daily with you teaching in the temple, and ye laid no hold on me. Another benefit of sitting is when a hoary head walks by we can arise and honor them.

Lev 19:32 "Thou shalt rise up before the hoary head, and honor the face of the old man, and fear thy God: I [am] the LORD.

Made many nice contacts please pray for Mr. Shim and Mr. Byun and especially Kim Duk

Jong. Met Mr. Kim at the stadium he was riding his bike we had about a 20 minute talk on spiritual things. With him as with all Koreans and Chinese there is one word of one verse in the Bible that every time opens the eyes of the Chinese and Koreans and makes them think twice.

It is this verse. 2 Tim 3:2 "For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy. It is the word "Unthankful" the Chinese Bible translates unthankful as 忘恩负义 wang en fu yi, en is pronounced like un and fu is like foo in food and yi is like abcd E pronounced E. It means to bite the hand that feeds you. But all Koreans and Chinese who do not know the Bible only understand this to mean "being unthankful between people" and people and do not consider that it primarily means between people and God. If you only know these words in Chinese and Korean and can explain it to them it will be an eye opener every time. The Korean way to say it is " Bay un mang duck, mang has a short a.

While having a packed lunch at a gazebo many children gathered around restless as most children are with an attention span of about 7 seconds or less.

Asked them " Do you want to hear a very interesting story? They said "Yea" so told them the story in 2 kings 4: 18-35. I tried to tell it with all the gusto I could, they loved the story. "my head my head then he sat on his mothers knee until noon and died, then Elisha came and brought the dead man back to life.

The punch line was when he sneezed, asked them to guess how many times he sneezed they said 10 I said less 5 more 6 more 9 less finally they said 7 times.

I always get the biggest blessing by mingling with the people.

And the effort to bless others will react in blessings upon ourselves. This was the purpose of God in giving us a part to act in the plan of redemption{SC 79.1} Please pray for Korea. Thank you, stefan

From Eddy, Fiji

Bula brother Neville and God be with you.

Thanks again for the great help from the RM and your side appreciated so much

The first day we received the car we prayed three times. First it was a prayer with us and the owner and the second prayer was just me and my son and Lily and then I was troubled to go and do some shopping and to visit a crippled brother Freddy and his 83 year old mother and his hearing impaired sister who lives alone. Freddy's mum was excited and happy to see us because it's been a month since we saw them last time. The good news is that Freddy insisted to pray for our work and the car too. Before we finished thanking God for the

blessing we dedicated the car to God and thanked the Lord for everything and everyone involved in securing the car.

The second testimony is about beginning sabbath last week. After we open sabbath my wife and I were convicted to go and visit the Rotuman brother who drove us to our combined meeting three sabbaths ago. A former famous singer in Fiji whose name is Alferiti . WE had a good fellowship with the family and the next day he brought 6 children from his household and spent the sabbath with us. The surprising thing is that he said to us it was the first time worship and gospel singing were conducted in his inlaw's place.

This week I went and visited a friend whom I met two weeks ago while I was giving out bible tracts in Savusavu. His name is brother Ian Ilo. We had a great time talking about health and I expounded more on why we are in small groups. The reason is that there's an SDA friend of his who was in our group. The lady was shocked to hear for the first time that the SDA church is a trintarian church now. The good news is they are willing to join us for sabbath when I come next week because this Sabbath I have to attend to brother Alferetis family in Labasa church.

Please pray for all these people and thanks again for the great help from RM supporters. Please convey our appreciation for the support. Also brother Saimoni and brother Dan also send their appreciation for the support too.

God be with you all and God bless, regards brother Eddy

From Benard, Kenya

Dear Brethren at RM,

Receive our humble greetings dear servants of God. We are doing well and always thankful to God for the Word He has put in our hearts. Thank you dear servants of God for your prayers towards the work we are doing. We are still bringing to the attention of souls God's truth that leaves no room for self or sin. We are at the end of everything and we are preparing the last church by revealing all truths which Satan has successfully hidden under his great counterfeit system during the centuries in the past. We are preaching not only the second coming of our Lord Jesus but also teaching the truth concerning truth about God, the true law, and the true Sabbath, papacy as the antichrist, and those other truths which have been perverted so that those who belief truth can be part of the remnant church (Revelation 12:17, Revelation 14:12).

He has given us a great work to do. Let us do it with accuracy and determination. Let us show in our lives what the truth has done for us.—Testimonies for the Church 6:418.

This is a new group Brother Francis is teaching. This was the third meeting with this group and they invited me to go and teach them. We touched on God's last Effort to awaken His people. I gave them books and they want to learn more. They also need bibles to help them study the word.

This is another meeting our brother Abraham is taking care of. We are with this group on truth about God series. The study of the day was about "Who is Jesus? Next week we are going to touch on the "Deity of Christ". We have books on this topic that we have already given to these students of the Word.

This is brother David Makutu from Uganda. David came to visit his sister here in Kenya. He met Ashton on the road to a meeting and they started talking. Ashton told him about us and the word we are preaching. He was influenced by the message and desired this truth to be preached in his country. He has contacted his friends and he is arranging with some Ugandan pastors for us to visit them in the month of October. I went and talked to him and we agreed that if they have a good plan and the borders opened, then we will visit them.

This is another Radio meeting. This bible study class was arranged by Sister Rebecca Mutuma. Sister Rebecca is in grey outfit in the middle. She has been keenly following the radio program. She called me Saturday last week after the teachings and asked if I can have time to visit her at her home. I asked Brother Ashton to visit them on Wednesday and she arranged and invited her neighbours for teachings. The study of the day was about (Romans 6:1, 2) "Is sin allowed?" They requested to continue with this class every Wednesday and we thank God for the desire in their hearts to learn. Next time we will take them books.

Dear brethren, Thank you for your prayers and support. We are busy daily in the fields and we thank you for your prayers and supports. I am still printing books and will continue to buy bibles because they are really needy here. *"Papers and books are the Lord's means of keeping the message for this time continually before the people. In enlightening and confirming souls in the truth, the publications will do a far greater work than can be accomplished by the ministry of the word alone. The silent messengers that are placed in the homes of the people through*

*the work of the canvasser; will strengthen the gospel ministry in every way; for the Holy Spirit will impress minds as they read the books, just as He impresses the minds of those who listen to the preaching of the word. The same ministry of angels attends the books that contain the truth as attends the work of the minister."—***Testimonies for the Church 6:315, 316**

*If our eyes could be open to discern the fallen angels at work with those who feel at ease and consider themselves safe, we would not feel so secure. Evil angels are upon our track every moment.—***Testimonies for the Church 1:302.**

*"We must give this message quickly, line upon line, precept upon precept. Men will soon be forced to great decisions, and it is our duty to see that they are given an opportunity to understand the truth, that they may take their stand intelligently on the right side. The Lord calls upon His people to labor—labor earnestly and wisely—while probation lingers."—***Testimonies for the Church 9:126, 127**

In our Father God and our Messiah Jesus.

Shalom.

Benard
