This is a wonderful testimony from sister, Aruna she is a postgraduate student and also a nominal believer with a Pentecostal background.

She married 6 years ago but has no children and she came to our natural healing centre in 2019 for a detoxing program. When she came to our church and natural healing centre, she was very weak in faith and also physical health because the doctor said she can't have the babies. Her womb was swollen and fibroids were found, and we tried to do the detox her body and different organs in her body in a natural way then she went back to her home after a few months and she conceived. God opened her womb and God gave her a beautiful daughter and now she is learning how to pray to God and to be faithful to him and reading the Bible and waiting for second coming of Jesus Christ. How amazingly God is helping her and healing his people through the natural healing centre through the detox in program. I am so happy after

receiving this good news and seeing this picture with the mother and baby girl, I praise God for this wonderful thing. Our heavenly Father and his Son are the great physicians and doctors and our natural healing centre here in India is really sharing the truth as we learn about the 8 laws of health and also 7th day and the one true God truths. Others are coming for this training and God is healing them because His promises are truth and his love never fails.

Thank you so much Restitution brothers and sisters for your prayers and for your support for Indian mission work. God has moving and touching many people's hearts and lives with the everlasting gospel. Please continue to pray for finishing the mission building as well as training centre which we started a couple of months ago. We need your prayers and support so that we can finish the work this year so next year we would like to run pastors training programs with the interdenominational pastors from different backgrounds. Thank you and God bless you all may the lord bless all all our efforts to establish his Kingdom of God shalom.

## From Stefan, South Korea

At a bus stop, met a lay member Buddhist who was very anti Christian, she said “you Christians brought the Covid to Korea. You all may remember in February the CV spread in Korea by a returning missionary from China in a big off shoot Christian group. But oddly enough at the same bus stop just a few minutes later met a female Buddhist monk who was very open to talk of health and spiritual things.

Of all the flags in our world perhaps the South Korean flag is the most intricate and complicated, even if you ask Koreans what their flag means most do not know. The reason the flags are all over the streets of Korea now is because tomorrow October 9th is Korean language day, see Calendar and Flag. I took advantage of this day to go and sit in front of the subway entrance and cross walk entry. Told the passers-by that tomorrow is Korean language day so as a foreigner I am going to read Korean to you.

Began reading the Bible, one man stopped to listen he sat down for a while then left then came back to hear more. Read to him these verses 1 Cor 14:8 “For if the trumpet give an uncertain sound, who shall prepare himself to the battle? And if the dead

rise not? let us eat and drink; for tomorrow we die. Also read from Luke and Revelation. There is power just in the public reading of God's word.

Rom 10:17 "So then faith [cometh] by hearing, and hearing by the word of God.

Public reading of God's holy word is based on what Paul said

1 Tim 4:13 "Till I come, give attendance to reading, to exhortation, to doctrine." A guard man at the door of the subway making sure everyone wore a mask and a lady on the street selling chestnuts and squash heard all the reading while others passing by just heard snippets ( mustard seeds ) of the Word of God. We may not be able to do street preaching but any of us can just pull up a chair and read the Word with good pronunciation and articulation. What did they say about Noah?

"The threatenings of God," they said, "are for the purpose of intimidating, and will never be verified. You need not be alarmed. Such an event as the destruction of the world by the God who made it, and the punishment of the beings He has created, will never take place. Be at peace; fear not. Noah is a wild fanatic." {PP 96.1}

They talked of science and of the laws controlling nature. Then they held a carnival over the words of Noah, calling him a crazy fanatic. {CC 33.7}

Here is some home work for all of you, please read Chapter 11 of the book Evangelism. I tried one of the suggestions today and it worked like a charm.

"In Greater New York, the Lord has many precious souls who have not bowed the knee to Baal; and there are those who through ignorance have walked in the ways of error. On these the light of truth is to shine, that they may see Christ as the Way, the Truth, and the Life. {Ev 385.1}

Found a cross walk access where I could sit under a huge umbrella and talk to the folks waiting to cross the street. Asked them this question as they are looking at the red light waiting for it to turn green, Ladies and gentlemen is this red light hindering our enjoyment of life or protecting and preserving our life? They all are in concord and agreement the red light protects us. Then I tell them that the Divine architect of the universe the God of liberty and love has also given us some red lights not to hinder our happiness but to preserve us alive. "Do not commit adultery, Do not kill, Do not steal, Do not bear false witness, Defraud not, Mark 10. Prov 23:29-32 "Who hath woe? who hath sorrow? who hath contentions? who hath babbling? who hath wounds without cause? who hath redness of eyes? They that tarry long at the wine; they that go to seek mixed wine. Look not thou upon **the wine when it is red**, when it giveth his colour in the cup, [when] it moveth itself aright. At the last it biteth like a serpent, and stingeth like an adder.

"There is not a negative in that law, although it may appear thus. It is DO, and Live. . . . The Lord has given His holy commandments to be a

wall of protection around His created beings. {SD 53.2}  
Went to a high rise apartment complex see picture of flag with the apartments in the back ground.

Noticed on the 4th floor of one tall apartment building a sign saying “Chinese writing and Chinese language” with a phone number. So called the number and said Ni hao and asked if she was Chinese she said no Korean then she asked where are you I said on the street below your apartment and I asked where are you she said in her apartment then I could see her standing at her window looking down.

She invited me up with the code number to push to get in the locked door. We had a Revelation 8:1 talk about the space of half an hour. We talked of the Korean, Chinese and English languages, she said she studied Chinese in College but does not use it much these days so is forgetting it. Told her that if we pray to God in the language that we do not want to forget

that helps us not to forget then asked her if she prays. She said many years ago she attended the Catholic Church for a while and was sprinkled with oil by a priest once but lost interest. I tried to present the gospel to her in the most alluring terms. I could see she was convicted. Please pray for her “Balk Young Hee” .

His blessings He presents in the most alluring terms. He is not content merely to announce these blessings; He presents them in the most attractive way, to excite a desire to possess them {DA 826.3}

Happy Korean language Day to all of you Oct 9th, Stefan in Korea

## From Benard, Kenya

Early October

Dear brethren at RM,

It is another time God has made and we thank Him for the gift of life. We are doing well in Jesus and always thankful to God for choosing us among the people to open the eyes of the blind. May God abundantly bless the entire RM team and the sponsors. The radio programs are still educating people in the way of truth. This Friday I will be talking about “The Kingdom is at Hand”. We have also been visiting souls who have been following our programs for further studies. Last week on Friday I taught “Law and Grace” This study was important because some have thought that because we are saved by God’s grace we don’t need to obey God’s holy law.

In this study (Law and Grace), we also learned that the great standard of judgment will be God’s holy law (James 2:10-12). The book of James shows that the law will be the standard of judgment. The verse makes it clear that the law that will be the standard of the judgment is the law that declares, “Thou shalt not commit adultery,” and “Thou shalt not kill.” This is the law of the Ten Commandments. It is important that we tell souls this real truth because people must not enter into the judgment ignorant of the very standard by which their lives will be measured and weighed.

This was a seminar we were invited by our students of the Word. We have been teaching these people for the last five months. They decided to arrange for a mini seminar from Wednesday to Thursday this week. I was accompanied by brother Kennedy and Ashton. We covered several topics including the two laws (Moral and Ceremonial laws), State of the dead, Trinity and God’s last call. Brother Patrick who is a bishop in this church has promised to take me across all churches under him so that this truth can reach all United Church of Christ branches.

This is another meeting the radio has produced. We are on the study on truth about God series. The study of the day was about “How Shall we Consider Christ” They now understand God of the Bible and the deity of Christ. We have already studied with them salvation and righteousness after faith.

This was on Sunday in a Sunday church called victory Christian ministry of Kenya. I was invited by a Sunday pastor called Charles Osundwa. God has given us a message we are not afraid to share with souls who are perishing. We made Osundwa and his team knows that they are deceived by false doctrines like Sunday worship, and many other errors they are faithfully and blindly following.

Dear brethren, we take this opportunity to thank you all for enabling us touch souls and directing them in truth of End Time Message (Rev. 14:6-12).

*“Sound an alarm throughout the length and breadth of the earth. Tell the people that the day of the Lord is near, and hasteth greatly. Let none be left unwarned. We might have been in the place of the poor souls that are in error. We might have been placed among barbarians. According to the truth we have received above others, we are debtors to impart the same to them.”—*[Testimonies for the Church 6:22](#).

May our Loving Father God through our Messiah Bless you all.
