

## Weekly Testimonies

### From Eddy, Fiji

Dear brother Neville,  
Good afternoon to you all brother Neville and I just want to thank you all my brothers and sisters for the work that you're doing for us and all the workers around the globe.

“Wait on the Lord, be of good courage, and He shall strengthen thine heart: wait, I say wait on the Lord.” Psalms 27.14

This month is just been a busy month for us in attending to the students, church and organizing our camp meetings for the students from the University.

We will be having the camp meeting in the West and we also having baptism so we truly need your prayers .

The 2 young men, Marvic and Meli have been faithfully supporting Gods work at the University and around the island.

Last week we received a call from a man who was reading one of the tracts that talked about the sabbath.

Marvic and I were giving out tracts and sharing in town of Levuka (old capital of Fiji).

He mentioned that he was glad that he was enlightened again by the bible tracts .

To all who are giving out tracts, please do not be discouraged because the tracts are truly fulfilling their purpose to the soul that is diligently seeking the truth.

Evangelism Chapter 7.. Leaflets containing the light of present truth should be scattered among the people like the leaves of autumn. To many who attend these gatherings these leaflets would be as the leaves of the tree of life, which are for the healing of the nations.

During our reach out we photocopying hundreds of tracts and give them out in the streets, town, bus, boat and its easier access of the truth to those who are rushing and they will read it in God's time.

“Ye have not chosen me, but I have chosen you,

and ordained you, that ye should go and bring forth fruit, and that your fruit should remain: that whatsoever ye shall ask of the Father in my name, he may give it you.” John 15:16

Photo attached is Meli, Marvic, Brother Dan and Patricia and they are all supporting the work here in Fiji and please remember them in your prayers.

**From Elias, Kenya**

**01/12/2020**

Greetings in the name of our Lord and Saviour Jesus Christ to all of R.M family.

### **TAKING CARE OF THE SHEEP**

It is easy to neglect the sheep; the very people you were called to serve; the very people whom God has given you in church to serve.

Ministries have needs. Whether it is men’s ministry, ladies ministry or the youth. Money needs to be spent on them. Lack of study material e.g. Bibles, Hymn books in my sermon can be a block barrier and disease in any service and meeting.

In my last three months ministry job I’d like to thank my brother Ben who gave me three hymn books and five Bibles. The Bibles that I was given I gave them already in 5 groups that I have in every day weekly meeting every group received only 1 us students need more to be used on personal studies.

I have only retained three hymn books that we use in sabbath meetings.

### **CHILDREN SABBATH SCHOOL**

Children need to be educated in the way of the Lord. There is a need for visual materials that help children learn and understand. These can sometimes be costly and the church will have to budget for them.

Neglecting the youth is a sure way to close your doors in ten years. We have to run youth program. Sabbath meeting in my house

See the picture God has given us wonderful sabbath meeting in my house that is now growing very fast in that every adult head you see parents a house hold, so far we have been able to reach more than 50 house holds in personal work and God has given us only 14 house holds that responds positive to sabbath meeting as we continue pull-up our socks towards our mission goals

### **SERMON NOTES: STEWARDSHIP**

God has appointed us as stewards over our – His (1 Chron. 29:1-4) time, talent and treasure (1Cor.16:1-4).

God bless you.

Yours,

**Elias mwanja**

## From Stefan, South Korea

I have a free airplane ticket on Korean airlines that I have to use or it will disappear, so instead of going to China decided to come to Je Ju Island off the coast of the Korean peninsula. So flew from Cheng Ju to Je Ju City only about a 50 minute flight. The Cheng Ju airport is also a military airport. As we were about to take off 2 F-16 fighter jets were right outside my window. In the fasten seat belt announcement time the stewardess especially mentioned taking pictures of the military airport is illegal, I had a strong temptation to take a picture but the Lord gave me the victory.

See picture of lights in the harbor. When we landed going to the airport in a small bus I asked a couple near by what were those lights out in the sea, the man did not know either but he spoke quite good English. A few minutes later at the luggage pick up place met them again ,they had just the day before gotten married and were on their honeymoon, so gave them a big congratulations and offered them a Korean version of the Yesterday Today and Forever book as a wedding gift. He is a smoker and on the front of the book it says "Courage, hope, faith, sympathy, love, promote health and prolong life". He had lived for 8 years in Sidney and came back to Korea to get a bride and now to find Christ the pearl of great price.

This week have been doing canvassing work and the Lord is opening many doors.

“The canvassing work, properly conducted, is missionary work of the highest order, and it is as good and successful a method as can be employed for placing before the people the important truths for this time..... . Many who are hungry for the bread of life have not the privilege of hearing the word from God's delegated preachers..... and the attention of many will be called to the important events connected with the closing scenes of this world's history. {MC 5.1}

Today went to an office that trained architects , it had a big class room with two offices went to one office and the man was busy and sorta rude no time not interested etc, was tempted to just go but decided to go to the other office the man was just getting ready to leave, i could see by his skin that he was a smoker so told him i use to smoke but was liberated, got my emancipation from nicotine, showed him my books, he said i will give you three minutes to talk, so we went to another room to sit down and showed him the books he said these are religious books how can they help me to quit smoking, so told him Mr Go his name is also the same as my Korean name Go, actually this island

has many many people with the family name Go.高 Mr Go imagine an empty bottle of water filled with air, the air represents your smoking habit, if you turn the bottle upside down and shake it for half an hour it will still have air inside, if you put a straw in it to suck out the air ,it will still have air, but if you pour water in the air goes out. Jesus said If any man thirst, let him come unto me, and drink. Mr Go by buying and reading this book you will be filling your soul with living water.

He bought two books. As we walked out of the office together, he showed me his empty pack of cigarettes and said he was on his way to the store to buy some cigarettes right when i showed up talking about being liberated from nicotine. Told him" Mr Go this was a providence of God, please read the book. Went by another shop where the man was slumbering in his chair with the TV on,

went and woke him up and told him my name, he has the same family name as Confucius 孔。 He had quite rosy cheeks so I assumed he was a non smoker but come to find out he smoked 4 packs a day. I told him if you smoke one pack a day it is 1,640,000 Won per year. So i asked us both what is 1,640,000 times 4 ? We could not figure it out in our heads so he whipped out his calculator and said 6,560,000 Won.

I had one hard cover very nice copy of Christ Object lessons so shewed him the book and said Mr Confucius this book does not cost 6,000,000 Won or even 3 million or even one Million but just 30,000 from 6 million to 30,000 seemed so cheap he immediately bought the book. Pray for Mr Confucius and the island of JeJu.

Stefan not on the isle of Patmos but the isle of Je Ju
