Dear Have you ever been in a grocery store where they are giving away small samples of a soy milk drink or perhaps a small slice of a new kind of rock melon(other wise known as cantaloupe)? Statistics show that people are much more likely to purchase a product if they have been given a free sample first.

I accidentally stumbled upon this principle last Sunday (otherwise known as the best missionary outreach day of the week)

When we devote Sunday to missionary work, the whip will be taken out of the hands of the arbitrary zealots who would be well pleased to humiliate Seventh-day Adventists. When they see that we employ ourselves on Sunday in visiting the people and opening the Scriptures to them, they will know that is useless for them to try to hinder our work by making Sunday laws.—9T: 232,233

Was going door to door in a certain area and usually try to introduce a Great controversy book for folks to buy and if they say no thank you then will leave them with a tract and move on to the next door.

Some people when they see or hear a stranger at their door have a temptation to be rough and gruff and say something like “ who are you, why are you here, what are you pedaling? Not interested good bye “. Thus the great need for angels of God to go before us to the doors and for us to pray without ceasing. Went to the home of a Mr Lee and noticed his cat had the most unique blend of colors in his fur. Sorta caught him off guard when he came to the door I started talking about his cat. See cat picture (this was not his cat but another cat in another city, cats and dogs are unique living members of our prospect's family.)Jesus talked about sheep, goats, mustard seeds, leaven why can't we speak of dogs and cats?

He stepped outside and we began a conversation then first gave him a tract (like the sample of soy milk) and then offered the book, he bought the book.

Next house did the same thing gave the lady the health tract first then put the book in her hand she also bought the book, which was my last Korean book, need to get more books.

By the way the Covid crisis ought not to be a hindering factor in our door to door work, it is rather a blessing in disguise. Satan has sought to block the way to lost sheep and lost coins through

this social distancing recommendation but the nefarious plan of the devil has backfired. There are some very doable (in the middle of a pandemic) strategies. I have found that in this crisis people are more open and of course we wear our mask if need be to protect them and us. Jesus said “Men’s hearts failing them for fear, and for looking after those things which are coming on the earth:

The present is a time of overwhelming interest to all living.....They observe the intensity that is taking possession of every earthly element, and they recognize that something great and decisive is about to take place—that the world is on the verge of a stupendous crisis. — {Ed 179.5}

Last Sunday went to Bo Eun just giving out tracts. Passed a bus stop and saw three Africans from Ghana sitting on a bench waiting for their bus. They were bundled up with clothing like Eskimos. It was -10C that day. Am not sure what the weather is like in Ghana but they looked extremely shivery cold. After a short greeting I cut to the chase and said Jesus is coming again and we need to get ready" one of them said yea we do, then I showed them my ten fingers which were in my gloves and asked do you remember the 4th commandment? After thinking a moment all three of them blurted out, love thy neighbor as thy self.

Still showing them my ten fingers I showed how our ten fingers shrink down into our two arms, and told them how Jesus worded the 10 into 2. So the second great commandment would be "love thy neighbor as thy self".

Then went back to the 10 and told them the 5th to the 10th.

One of the three was sorta the spokesperson for the group, when speaking about the 4th commandment told them that the Seventh Day yesterday was the Sabbath and not today, then their bus came and the quietest of the three gave me a thumbs up and said yes the seventh day is the Sabbath, thought I had only Korean literature but looked in my bag and had a yesterday today and forever book in English so they took that. Please pray for those three unknown men from Ghana .

Jesus invited the disciples to be fishers of men, in fishing there is net fishing and pole fishing. Net fishing could be likened to preaching a sermon on Sabbath to many or out door preaching like John Wesley, whilst pole fishing could be likened to one on one evangelism.

Came to Cheongju had many angel organized contacts, see pictures.

2 Mr Lee's from Korea and a brother from Uzbekistan.

The man from Uzbekistan was a Muslim, so told him Jesus is coming again, he agreed as Islam believes Jesus will come again. With Muslims the second coming of Jesus is a common ground reference point for us to share more truth with them.

There are one soul personal interview possibilities around most of us everyday, let us cooperate with angels.

The work of Christ was largely composed of personal interviews. He had a faithful regard for the one-soul audience; and that one soul has carried to thousands the intelligence received.—RH ,May 9, 1899.
