## From Kennedy, Kenya

From KENNEDY.

Dear brothers and sisters at RM.

Receive my greetings and also from my fellow bible workers in Kenya. We are fine and doing fine in the Lord and hope you are well also. The work of God is going on well; we are reaching souls with the end time message in order to wake them up from the spiritual sleep. We know that we are living at the end of the world, that tells us that we have but a short time to win as many as our Lord we enable us to win.

It has been another wonderful week brethren in the Lord that we have been busy looking for lost souls by giving them a message that can make them know that they are lost in customs and traditions of man. By the grace of our Lord, we have been able to form new groups that are willing to study and know the truth so that they can be on the safe side together with Christ.

We give our thanks to God for the work that He is enabling us to accomplish

This is a group in Kakamega, It was organized by brother Benjamin who is now working with me by organizing meetings in Kakamega. We rented the building that we are using as our class for studies. It is a second meeting now with them and I am taking them through the topic about the law.

The guy standing is one of our old students by the name Kelvin. He invited me to this meeting in the side of Teso. This group is coming up well and the way they are getting the message is electrifying. Another good thing is that they are now keeping the Sabbath of the Lord.

Last Sunday brother Ashiton and I went to one of the Sunday keeping churches that we had been invited to. We went and gave them what they need according to the gospel of Christ. We helped them to know the risk that they are in, the risk of losing the eternal life. We exposed the errors in their beliefs and told them to have a re-look about what they are thinking what it is the way into eternal life.

This was last Tuesday when brother Ashiton and I visited the house of this lady as we were on our follow up duty in the work of God. The lady was so welcoming and we took her through our introduction by telling her about the errors in Christianity today. She agreed to invite other people on every Tuesday at her home for bible studies.

This is one of our old Sabbath classes that are doing well and we can see the improvement every Sabbath day. We have seven members that are ready for baptism in the month of April.

Brothers and sisters, we thank you for your prayers and support for the work of God in Kenya. You are not in Kenya to see nor testify but we can share with you what is going on by the newsletter, and we thank you for trusting in us. May our God, through His son Jesus Christ, give you long life so that you can accomplish the great commission from our master unto us.  
Kennedy.

## From Stefan, South Korea

Many times during the day I like to ask the Lord the same question that Saul asked." Acts 9:6 .....Lord, what wilt thou have me to DO?..... I get many different answers such as 1 Cor 10:31 Whether therefore ye eat, or drink, or whatsoever ye DO, DO all to the glory of God. or Eccl 9:10 Whatsoever thy hand findeth to DO, DO [it] with thy might; for [there is] no work, nor device, nor knowledge, nor wisdom, in the grave, whither thou goest.

In the question and the answer the emphasis is on the word DO! Another answer i often get is 2 Tim 4:5 But watch thou in all things, endure afflictions, DO the work of an evangelist, make full proof of thy ministry. These answers come because i have downloaded the Word of God into my inner hard drive USB = (Unction Store Brain)

The other day went to Oak Chun and saw a group of people sitting and standing at a bus stop waiting for their bus, while they are waiting for the bus i can DO the work of an evangelist not in my own strength but Phil 4:13 I can DO all things through Christ which strengtheneth me. So told them i have some very important information on health and Covid 19 how to prevent it, read Lev 11:9 These shall ye eat of all that [are] in the waters: whatsoever hath fins and scales in the waters, in the seas, and in the rivers, them shall ye eat.

11:10 And all that have not fins and scales in the seas, and in the rivers, of all that move in the waters, and of any living thing which [is] in the waters, they [shall be] an abomination unto you:

11:11 They shall be even an abomination unto you; ye shall not eat of their flesh, but ye shall have their carcasses in abomination.

11:12 Whatsoever hath no fins nor scales in the waters, that [shall be] an abomination unto you.

Koreans are big on eating anything that wiggles in the sea including sting ray and many things without fins and scales.

They were surprised that the Bible is so specific and detailed. Then showed them the fowls...

11:13 And these [are they which] ye shall have in abomination among the fowls; they shall not be eaten, they [are] an abomination: the eagle, and the ossifrage, and the osprey,

11:14 And the vulture, and the kite after his kind;

11:15 Every raven after his kind;

11:16 And the owl, and the nighthawk, and the cuckoo, and the hawk after his kind, no time to read the whole list but notice what the list ends with 11:19..... and the bat.

So I told them to remember the CV19 supposedly started by someone eating bats.

I had their attention now, then went to.....

Lev 11:2 These [are] the beasts which ye shall eat among all the beasts that [are] on the earth.  
11:3 Whatsoever parteth the hoof, and is clovenfooted, [and] cheweth the cud, among the beasts, that shall ye eat.  
11:4 Nevertheless these shall ye not eat of them that chew the cud, or of them that divide the hoof: [as] the camel, because he cheweth the cud, but divideth not the hoof; he [is] unclean unto you.  
11:5 And the coney, because he cheweth the cud, but divideth not the hoof; he [is] unclean unto you.  
11:6 And the hare, because he cheweth the cud, but divideth not the hoof; he [is] unclean unto you.  
11:7 And the swine, though he divide the hoof, and be clovenfooted, yet he cheweth not the cud; he [is] unclean to you.

One man Mr Park said "OH us Koreans we love to eat swine. I asked them if they eat mice then showed them the verse on mice.

11:29 These also [shall be] unclean unto you among the creeping things that creep upon the earth; the weasel, and the mouse, and the tortoise after his kind,"

By this time they were totally absorbed in the particular and precise details of the Bible. Mr Park said to the others "yea the Bible has 66 books and written by 40 authors."

Then I threw a curve ball at them and said "did you know the Bible says There is no God? Opened the Bible to Psalm 14:1 and read it to them " there is no God" with my finger and thumb covering the other parts of the verse so they could only read "there is no God" i had their undivided attention... then showed the rest of the verse. The fool hath said in his heart, [There is] no God. Then Mr Park started preaching to the others by this time more were waiting for the bus... He said Many Koreans are Buddhists and bow to idols of wood and stone but when they are ready to die or when the plane is crashing they cry out " OH God save me" The angels arranged for their buses to be delayed. One lady by the ring on her hand noticed she was a Catholic, our dear Catholic friends hardly know anything about the Scriptures. Read to her from Proverbs.

17:22 A merry heart doeth good [like] a medicine: but a broken spirit drieth the bones." Then asked her If a merry heart does good like a medicine how can we get a merry heart? she shrugged her shoulders and said i don't know... and then moved near where she needed to get on the bus, but the blessed red light at the intersection was long enough for me to move near her side and read her the answer to the question how to get a merry heart. Jer 15:16 "Thy words were found, and I did eat them; and thy word was unto me the joy and rejoicing of mine heart:" Later that day at noon I went to a stadium to read and walk and pray and noticed a man running back and forth

after he ran about 7 times to and fro I confronted him as follows "you must be running for your health" he nodded yes then i asked if he knew the 8 laws of health including what we eat and temperance he gladly took my health tract. His family name is Han.

The way to say Korea in the Korean language is "Han Gook" Gook means country The USA is MEE Gook and China is Zhong Gook.

So Mr Han, his family name means Korea. As if you met someone in Australia with the family name 'Australia'. See picture

Mr Han and I had a nice talk and he said he will call me someday and treat me to a cup of coffee.

Stefan.

**From Pr. Naik, India**

Dear brothers and sisters greetings in the name of our lord and savior Jesus Christ the son of God who died for us on the cross.

This Church is a pentecostal church. God has given me this little Church to explain to them about the one true God and the seventh day and also we had a wonderful talk about the vaccination and behind vaccination agendas one world government will try and stop all these brothers and sisters from understanding the truth.

They wanted to follow the Lord after the message they shared their wonderful testimonies of what they understood and what they learnt from God. It is amazing that after the teaching people came forward and explaining their experience and sharing your wonderful testimonies of what they learned.

Thank you so much Restitution brothers and sisters for your prayers and support. May god bless you all and please continue to pray for Indian mission work.

Brother Naik, India.

Dear RM family,

Receive our greetings in Jesus our Messiah. I take this opportunity, on behalf of faithful brethren here, to THANK YOU ALL, for your supports and prayers. From this Friday, we are going to reach souls through two different radio stations. God Has blessed us with another radio called Kababa Radio 88.8FM in Siaya. We already had Imuria 103.1FM near the Kenya Uganda border. Teachings will start from eight to night in the evening by Kennedy in Kababa Radio, and I will be in Imuria 103.1Fm from seven thirty to eight thirty evenings. These platforms are going to present us with opportunities to continue calling upon souls to be faithful to God amidst the many falsehoods and conflicting doctrines of our day. We are all aware that we are living in an environment of gross religious corruption and it still remains Satan's objective to destroy every last trace of the worship of the living God, the Creator.

Therefore brethren, let's continue to "Cry loud, Isaiah 58:1". "Let us arouse! The battle is waging. Truth and error is nearing their final conflict. Let us march under the blood-stained banner of Prince Emmanuel, and fight the good fight of faith, and win eternal honors; for the truth will triumph, and we may be more than conquerors through him who has loved us. The precious hours of probation are closing. Let us make sure work for eternal life, that we may glorify our heavenly Father, and be the means of saving souls for whom Christ died." Review and Herald, March 13, 1888.

This is Brother Francis teaching about the true church. A church that is not defiled by man-made doctrines and traditions, but walk as Jesus walked (1 John 2:3-6). I went with Brother Francis to this group and they have arranged for every Wednesday. Two souls out of this group now keep the Sabbath.

This is another active family willing to sit down and study every Thursday. They were members of a Sunday church. When we meet them, they seemed ignorant of the truth regarding the law, Godhead and other salvation doctrines. They wanted to worship God, yet they were unaware that they were worshipping with corrupt doctrines. At the right time, God has connected them with us, to awaken them and alerts them to recognize their error and embrace the undistorted truth of His Holy Word, the Bible.

This is a group I was invited to on Friday. I went with Brother Kennedy. This meeting was arranged by our listener from the radio, his name is Okumu. He was expecting around ten souls, but only eight managed to come. His intention was to invite leaders first. We were not afraid to remind the few that came about non Biblical teachings and so called tradition of men the three angels' message is designed to expose, and alert the professed followers of Jesus Christ and call them into the saving truth.

Brother Ashton is doing a Bible study with brother Josephat Obuli. The study was about the ten commandments. Brother Josephat is a good student of the Word who is thirsty for truth. Brother Josephat was taught that people are not under the law, and such false and man made doctrines have tainted God's people and we must continue to open their eyes.

This group is developing well in the Word. We are now studying with them the truth about God. The purpose and importance of this study is to show the importance of having a correct understanding of God, who He is, and His character, who is Jesus and the truth about the Holy Spirit which is the spirit of Christ which brings us into all truth and unity of the faith.

This meeting under mango tree is still moving on well. These are people who want to learn. They come from different denominations. It is our prayers that the word will change them to be part of God's end time church.

We are admonished, "We must give this message quickly, line upon line, precept upon precept. Men will soon be forced to great decision, and it is our duty to see that they are given an opportunity to understand the truth, that they may take their stand intelligently on the right side. The Lord calls upon His people to labor-labor earnestly and wisely-while probation lingers." Testimonies, vol.9,pp.126, 127.

Bible prophecy is unfolding right before our eyes. The world is too blind to see it.

Shalom.

Ben
